

REQUEST FORM FOR PLAYERS IN THE COMMUNITY

We love our players to engage with the community whether this is through sport, schools, or other community initiatives.

As an organisation we are also tasked with balancing these requests with the players other responsibilities and with the best interests of the team.

Our priorities for 2021 are focused around building the Tactix family and helping to drive participation in netball.

If your activity meets these objectives please complete this form no less than four weeks prior to your planned activity and email to both:

Haidee Stratford (General Manager Tactix): haidee.stratford@netballmainland.co.nz

Please note that while we would love to fulfill every opportunity this is simply not a reality and therefore in some cases requests will be denied.

If your request is successful, we will work with you on the detail of your event to ensure maximum success for both parties. Please note that any printed or digital material promoting the appearance of players requires the sign off by Tactix Marketing Manager (Troy Han, troyh@netballnz.co.nz).

Thank you for your interest in working with the Tactix! #TeamTactix

REQUEST FORM FOR PLAYERS IN THE COMMUNITY
